

FOR IMMEDIATE RELEASE

TGI Solar Power Group Inc. Announces Strategic Alliance with MetaSense Inc. to Scale Human Capital for Global Energy and Technology Projects

Redefining Human Capital Management Across Aviation, Nuclear Power, AI, Robotics, and Agentic AI

MIAMI, FL / ACCESSWIRE / March 17, 2026 / TGI Solar Power Group Inc. (OTCPK: TSGT) (“TGI” or the “Company”), a diversified industrial, technology and environmentally sustainable real estate development company is pleased to announce it has entered into a landmark strategic partnership with **MetaSense Inc.**, a global leader in staffing augmentation and human capital management.

This alliance is designed to provide world-class, specialized workforce solutions across TGI’s most technically demanding sectors, including nuclear power, aviation, robotics, and agentic AI. As TGI continues to expand its global footprint in sustainable infrastructure and advanced technology, the partnership with MetaSense ensures a steady pipeline of elite, safety-cleared professionals to execute high-stakes projects.

Strategic Objectives of the Alliance

The partnership will focus on addressing talent shortages in critical industries where operational precision and safety are paramount:

Nuclear Power & SMR Development: Providing health physicists, reactor operators, and plant life-extension experts for TGI’s energy initiatives.

Aviation & Aerospace: Supplying licensed aircraft maintenance engineers and avionics specialists to support international charter and cargo operations.

AI & Robotics: Deploying specialized engineers to integrate agentic AI and automated systems into TGI’s industrial logistics and smart city frameworks.

Management Commentary

"The industries we serve are defining the future of energy, transportation, and intelligent systems. Securing the right human capital is as critical as the technology itself. This partnership with MetaSense allows TGI to scale rapidly while maintaining the highest standards of compliance and technical excellence."

—SAMUEL EPSTEIN, Chief **Executive Officer**, TGI Solar Power Group Inc.

"Together, MetaSense and TGI will deliver workforce solutions tailored to the global economy's most specialized sectors. By leveraging our recruitment methodologies alongside TGI's deep project portfolios, we are building a bridge between elite talent and visionary projects."

— **Jatin V. Mehta, CEO, MetaSense Inc.**

About TGI Solar Power Group Inc.

TGI Solar Power Group Inc. is a diversified holding company focused on sustainable infrastructure, circular economy solutions, and advanced technology integration.
